

POUCHES

▶ STOCK & CUSTOM

Find the Pouch That's Right for You

Winpak is a leading provider of stock and customized pouches in a wide range of styles.

We supply pouches in various types of material and structures that can be used for meat, cheese, powdered mix, pet food, nuts, dried goods, trail mix, bath salts, etc.

Available Pouch Styles:

- ▶ Three Side Seal
- ▶ Stand-up Pouch (Bottom Gusset)
- ▶ Side Gusset
- ▶ Spouted
- ▶ Box

▶ EXCEPTIONAL GRAPHICS

Let's Pouch Things Up!

Winpak is equipped with an in-house Graphics department to cater to the printing requirements of our customers.

We utilize the latest printing technology, such as Multi-Color Processing and HD Flexographic 12-Color Process Printing, to create pouches with stunning print designs to elevate shelf appeal.

Print Options:

- ▶ Matte
- ▶ Matte Gloss
- ▶ Glossy
- ▶ High Definition (HD)
- ▶ Haptic

APPLICATIONS

Winpak primarily manufactures pouches used in the food and beverage industry.

We have successfully developed pouches with:

- ▶ High barrier films to extend the shelf life of products (e.g. beef jerky)
- ▶ Puncture resistant structures for frozen applications (e.g. lobster and mussels)
- ▶ Easy peel and portion control features for convenience packaging

CONVENIENCE

Our pouches provide the ultimate level of convenience and safety with these reclosability options:

- ▶ Zippers (single, double & triple)
- ▶ Velcro
- ▶ Slider, child-resistant
- ▶ Peel & Reseal lamination

POUCH FEATURES

Improve the functionality of your pouch by selecting any one of these available features:

- ▶ Tear notch/nick
- ▶ Laser scoring
- ▶ Hanger holes
- ▶ Carry handles
- ▶ Rounded corners
- ▶ Degassing valve
- ▶ Wicket holes
- ▶ Multi-compartment perforations

TECHNICAL EXPERTISE

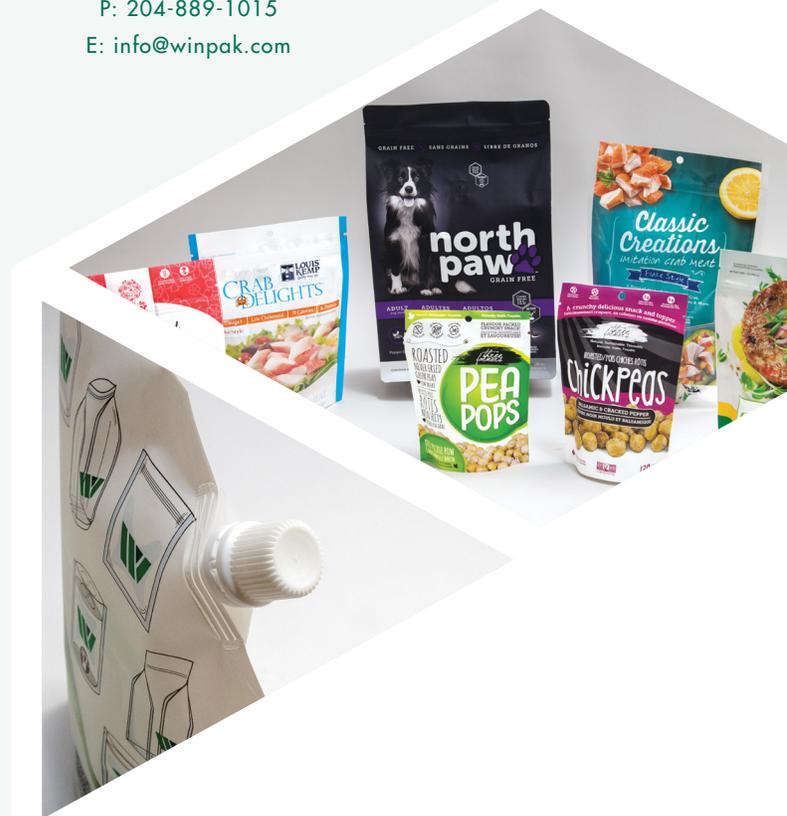

Winpak has an excellent team of pouch and technical experts who work with customers to ensure that our pouches are safe, functional and of course, look great.

Our pouch team is ready to work with you each step of the way; from converting from a box to a pouch, or redesigning your current pouch format. We have the knowledge and experience to bring your vision to life.

Contact us to begin your pouch journey.
