

RETORT PET FOOD PACKAGING

Wipak is one of the 10 largest thermoforming companies in North America with industry-leading manufacturing operations, warehousing, and stock programs.

Our Vision

To provide the best packaging solutions for people and planet.

Our Mission

We design, manufacture, and supply the most sustainable packaging solutions that reduce food waste, extend freshness, and promote health. We elevate customer brands with dedicated technical expertise, industry partnerships, and deep-rooted relationships. We challenge our diverse teams to innovate continuously in the service of our customers, each other, and our communities.

Custom Retort Pet Food Packaging can be designed in various shapes, sizes, and colors. Enhanced features can be integrated into the packaging including multi-compartment designs, custom perforations, and both sidewall and bottom printing.

ATTRIBUTES

- Technical: Develop custom high-barrier products that provide exceptional shelf-life performance
- Differentiation: Ability to develop custom engineered products included patent pending breaking feature and printable ingredient panel on the bottom
- Printing: Can print up to 8 colors on sidewall and 2 colors for bottom printing
- Quality: Best in the industry quality that involves 100% inspection

APPLICATIONS

- Shelf stable wet, dry pet food
- Ready-to-eat meals

SUPPORT YOUR SUSTAINABILITY GOALS
