

SINGLE-SERVE BEVERAGE CUPS

Winpak is one of the 10 largest thermoforming companies in North America with industry-leading manufacturing operations, warehousing, and stock programs.

Our Vision

To provide the best packaging solutions for people and planet.

Our Mission

We design, manufacture, and supply the most sustainable packaging solutions that reduce food waste, extend freshness, and promote health. We elevate customer brands with dedicated technical expertise, industry partnerships, and deep-rooted relationships. We challenge our diverse teams to innovate continuously in the service of our customers, each other, and our communities.

Single-Serve Beverage category cups are available in both Polypropylene (PP) and Polystyrene (PS) with 3, 4, 5 or 6oz capacities. Winpak offers cups with excellent oxygen barrier properties and with copolymer for freezer applications.

SUPPORT YOUR SUSTAINABILITY GOALS

We are ensuring a lighter environmental footprint via producing PS cups from our **ZERO** landfill plant at Rexdale. Zero landfill means lesser stress on resources and fewer emissions and overall reduced impact on our planet.
